

## 2011 Recipients

### Dr. Deborah Mitton Award

#### Yoon Bin Eum

Graduating from Saint John high School, Yoon Bin plans to attend Dalhousie University to study medicine. She volunteers with the SJRH Coffee Cart, Escort Service and has played piano for patients at St. Joseph's Hospital and at SJRH for almost three years.

As an International Baccalaureate (IB) candidate, Yoon Bin demonstrates academic excellence. She has received provincial awards in mathematics and at French Oratorical competitions.

Her musical accomplishments are outstanding: she is a member of SJHS Concert Choir, played first clarinet in District 8 Band, was the winner of the NB Competitive Festival of Music in piano. She is a leader in Club Hope (SJHS), plays badminton and was a cheer leader. "Volunteering gave purpose to my life...I have gained motivation, leadership, and happiness, she states".

### Peggy Bulmer Award

#### Chris Mahar

After graduating from Saint John High School, Chris will attend UNBSJ and plans to study medicine. He is accepted at Dalhousie NB. He is an Honor, bilingual student who has completed several IB classes. He has placed first in District and Provincial Science Fairs and has competed in this category nationally.

He is an athlete who competes in basketball, badminton, volleyball, and rowing. On top of this, he has received the duke of Edinburgh Award.

He states he is a well – rounded person who participates in many sports, several clubs and school activities and who likes to volunteer and contribute to the community.

### Teresa Casey Award

#### Jihyen Ha

Jihyen will attend the University of Western Ontario following her graduation from Kennebecasis Valley High School. She would like to study medicine and become a medical researcher at the SJRH.

Jihyed volunteered as a cashier in the gift Shop and assisted in the "Escort" Service. Her community volunteer work includes reading to elementary students at the KV Public Library and peer tutoring of mathematics during her lunch time at school.

This High Honors student is a two time provincial medalist in mathematics and placed first in chemistry in NB in 2010. She is a journalist with her school newspaper, participates in Track and Field events, and is on the school's debating team. She states "

I have achieved a lot in Canada in two years...I love learning new things...and using my talents and skills to help others".
